

A Birthday to Remember!!!

On 6th September 2009, Doris turned 90 and the members of the Watercolour and Pastel group celebrated the day with a small party at U3A Melton. The day started with photos taken by the Melton Leader newspaper photographer and then we presented Doris with her gifts and warm wishes.

Doris was escorted to the party by her two daughters, Mary and Eileen and looked the picture of health and excitement!

Mary Fisher baked a beautiful cake and Gaye decorated it with a posy of sugar roses. All the others shared their plates of yummy tid-bits and fun was had by one and all!

We are all looking forward to celebrating Doris' Birthday next year!
